
About

During my four years at Ewha Womans University, I extensively studied Building Information Modeling (BIM), CAD, and SketchUp, developing strong technical proficiency in these tools. Additionally, my coursework in cost management deepened my understanding of efficient project planning and financial analysis. Throughout my studies in both architectural engineering and urban engineering, I have cultivated a strong alignment with my field and aspire to grow as a global female leader.

Skills

- Community engagement
- Influencing skills
- Collaborative mindset
- Teamwork

Professional Experience

Tutor

Course of Cost Management – Seoul, South Korea (03/2025 - 06/2025)

- Provided homework assistance using specific curriculum and materials.
- Motivated students towards learning and studying to build self-confidence and reduce fear of failure.
- Supported students with helpful study habits and exam strategies.
- Collaborated with students to complete homework assignments, identify lagging skills, and correct weaknesses.

Volunteer

Student Council President at EWAH University – Seoul, South Korea (03/2023 - 02/2025)

- Assisted with special events and programs.
- Supported engaging, fun, and smooth-running events by helping with organization and planning.
- Used strong interpersonal communication skills to convey information to others.
- Mentored new volunteers, fostering a supportive and inclusive team environment.

Extracurricular Activities

DB Life Human Resources Development – Seoul, South Korea (03/2024 - 03/2024)

- Self-motivated, with a strong sense of personal responsibility.
- Excellent communication skills, both verbal and written.
- Increased sales revenue through simulation-based learning.

Club

Ewha Branch of Habitat for Humanity – Seoul, South Korea (03/2022 - 12/2023)

- Maintained a clean and safe worksite, adhering to strict safety guidelines and regulations during construction projects.
- Served as a mentor and leader for new volunteers, sharing knowledge and skills to ensure their success in contributing to the organization's mission.
